Annual Fund Raising Campaign

Dear Brothers and Sisters in Christ,

With the advent of a new liturgical year, on behalf of all the priests and the parish pastoral council of Rosary Church, may I wish you all a Merry Christmas and a blessed New Year!

Like previous years, the parish will soon begin the Annual Fund Raising Campaign to ask for your generous donations in supporting the church's on-going pastoral and evangelizing endeavour as well as increasing repair and maintenance works.

Rosary Church has been servicing the congregation for 112 years and we should work together to make our utmost effort to preserve it. The Parish this year finished a sewer video inspection and will by early next year replace church's internal lighting to more energy efficient LED lamps. In addition, the replacement work of the church and parish hall's ageing chillers plants is also being actively studied and planned.

Since its very beginning, Rosary Church has been blessed with benevolent supports from the faithful. It is our cherished dream that this house of the Lord will continue to live and thrive for another century – but only possible with your care and support. We have been really grateful for your generosity in the past years.

This year's Annual Fund Raising Campaign will start in mid December. To make up for the operating deficit as well as to finance various maintenance works, we plan to raise \$1.3 million this year. You can participate in the campaign by the following means:

- Crossed Cheque : please make a cheque payable to "Rosary Church Parish Finance Committee;
- Cash: please hand in directly to the Parish Office; or
- Bank Transfer: please deposit to the Rosary Church Parish Finance Committee's bank account **718-030-001935** at ICBC (Asia).

Receipts, which can be used for tax deduction, will be provided for donations of \$100 or above. If you require a receipt, please fill in the required details in the annual donation envelope and return it to the parish office.

Our care and effort in maintaining and supporting Rosary Church is one way of expressing our thanksgiving to the Lord. May I earnestly request each one of you make generous donations to support the parish, its pastoral works and evangelization.

Sincerely in Christ,

Fr. John B. Tsang
Parish Priest
